

Fast Mop, creative and innovative!

Fast Mop

Quality that is affordable, the ideal single-use mop.

The Fast Mop, a single-use mop from meiko Professional, is an innovative solution for fast and affordable use in floor cleaning. The Fast Mop is available in two sizes and fits all standard 40 and 50 cm mop holders. It is lightweight, saves space and is easy to rinse out. It is an excellent alternative for the efficient and affordable cleaning of all flat floor surfaces with its high absorption and dirt-trapping properties and its active cleaning profile.
